Dear Mayor Dixon:

I am writing to join the Govanstowne Business Association and others in asking you to continue working creatively to help the historic Senator Theater remain open during its transition to a non-for-profit organization.

The Senator is a rare treasure, both for its historic architecture and for its continuing role today as a grand movie house. The theater's owners and community are working hard to transform it into a non-profit arts center. Keeping the doors open during this transition is critical for success.

Thank you for your ongoing effort to ensure the Senator remains part of Baltimore in the near future and for the long-term.

Sincerely,

Johns Hopkins
Executive Director
